

Sources of Products for Invasive Plant Control

Compiled by presenters at the Invasive Plant Control Training for Professionals
sponsored by Sycamore Trails RC&D in 2010

There are several suppliers of herbicides available. Most coops and agricultural applicators carry a limited supply of applicable products for IP control. A few sources are listed below. Others are available as well.

Townsend Chemical Division (two representatives listed whom presenters have dealt with in Indiana)

James R. "Jim" Brayton
Technical Director of Application Services and Distribution Sales
9211 E. Jackson Street
Selma, IN 47383

Fax: (815) 371-4134
e-mail: gressler@townsendchemical.com

Forestry Suppliers <http://www.forestry-suppliers.com/>

They carry most of the herbicides discussed.

Eco Logic LLC - <http://www.ecologicindiana.com>

They have conducted IP control for 10+ years and have been a source of information.

3940 W Farmer Ave
Bloomington, IN 47403
